PARTNER WITH CPD

The legal community plays an important role in preparing the next generation of attorneys for practice.

1. PARTICIPATE IN EVENTS AND PROGRAMS
CPD coordinates programs that feature local attorneys, including panel discussions and networking events designed to educate students on various areas of practice. These include: intellectual property, business law, compliance, environmental law, judicial clerkships, criminal law, and entertainment law.

2. VOLUNTEER – MOCK INTERVIEW PROGRAMS, INFORMATIONAL INTERVIEWS
Help students prepare for on-campus interviews, diversity fellowships, judicial interviews, and more, by serving as a volunteer interviewer. Your feedback helps students improve their interviewing skills.

3. CONNECT WITH US!
Follow us on Facebook and LinkedIn, and visit our Blog (sulawcpd.blogspot.com) to stay updated on CPD’s many events and activities.

LOOKING FOR LEGAL TALENT? WE CAN HELP!

The Center for Professional Development (CPD) is here to assist with your recruitment efforts by connecting you with our talented and highly-capable students and graduates.

ON-CAMPUS INTERVIEWS (OCI)
CPD invites employers to participate in Spring and Fall OCI to recruit students for internships and post-graduate positions.

RECENT GRADUATE OCI
Held in mid-October, this program connects employers with new graduates who have passed the February or July WA Bar Exams.

NW PUBLIC SERVICE CAREER FAIR
Held annually in February and sponsored by the NW Consortium of Law Schools, this event connects over 60 employers with students from SU Law and nine other Consortium law schools.

ADVERTISE POSITIONS
CPD can support your recruiting efforts by posting job opportunities for interns, entry-level and experienced attorneys in our online job board. This service is free to employers.

RESUME COLLECTION
If you are unable to interview on campus, CPD can collect and forward applications to you and arrange interviews.

OUR STUDENTS ARE RIGHT FOR YOU

In addition to being hard-working and committed, our students and graduates are armed with the knowledge and skills to assist you.

→ Our highly-ranked legal writing program (top 10 in U.S. News) gives students a strong foundation in research and writing, and the ability to deliver a high quality product.

→ Our acclaimed Ronald A. Peterson Law Clinic (top 20 in U.S. News) helps students gain practical experience working on cases with real clients.

→ The robust Externship Program provides students with numerous experiential opportunities to develop their practical legal skills.

→ Many students in our part-time program have valuable professional skills from significant work experience before coming to law school.

DIVERSE
Seattle U is the most diverse law school in the Northwest: of the first-year class, over 30% are students of color, nearly 20% identify as LGBTQ, and over 60% are female.

PRACTICE FOCUSED
CPD works closely with student organizations that focus on specific areas of interest to develop programming and mentoring opportunities, including: Business & Entrepreneurship Law Association, Criminal Justice Society, Health Law Society, Intellectual Property Law Society, Labor and Employment Law Association, and the Public Interest Law Foundation.
