MAMA Seattle Scholarship

The Mother Attorneys Mentoring Association of Seattle ("MAMA Seattle") was founded in 2006 as an organization designed to empower attorney mothers and encourage professional success while celebrating our roles as attorneys and mothers. We are devoted to furthering the interests of mother attorneys in Seattle, in Washington and throughout the nation. MAMA Seattle is a source of support for attorney mothers — a place where we can network, share experiences, learn from each other, problem solve and talk about issues we face in a supportive and forward-thinking environment.

To support our mission, MAMA Seattle is committed to assisting currently enrolled law students at either Seattle University or University of Washington with the costs associated with attending law school. The amount and number of scholarships will be determined by MAMA Seattle and may vary in amount, starting from $2,500. Scholarship Recipients will be selected based on various criteria including past success and/or future dedication in supporting MAMA Seattle’s mission. Scholarship Recipients will be notified prior to and are asked to attend MAMA Seattle’s Annual Banquet on October 20, 2021 (complimentary ticket for attendance will be provided to each scholarship recipient). The format (live event vs. virtual) and structure of the event is subject to the discretion of MAMA Seattle and any guidelines and/or restrictions that may be issued by the relevant public authorities and/or health agencies. MAMA Seattle will keep Scholarship Recipients informed of the event status.
