All Sullivan Hall classrooms come equipped with standardized technology interfaces.

To route a device to the projector, Press the **Projector** button next to it. (This also **turns on projector**, lowers screen, and adjusts lights.

To preview the device on podium LCD, press **Monitor**. This does not route anything to the projector.

**Volume Controls:**
- **Media** = VHS/DVD and Laptop
- **Podium** = fixed mic
- **Wireless** = clip-on Mic (ask your admin for keys to cabinet)

**Document Reader Controls:**
- **AF** = Autofocus
- **Rotate** = rotates 90°
- **Brightness** = Adjust contrast
- **Lamp** = turns light on/off

**Press HELP for emergencies.** This can be used to call Campus Security by phone.

**Press “System Off” when you leave. This shuts down everything.**

**Usage:**
- **Logo** to Route SU log on screen.
- **Blank** to stop projecting, but leave projector on.

**For Technology Help:** call x4444
