Important Note:

*The credits and hours required that are listed here are totals based on the combined externship and seminar credits. For example, if a part-time extern is taking 7 credits (17.5 weekly hours in Fall & Spring), it will appear on their transcript as a 1-credit seminar course and a 6-credit externship course. Similarly, a full-time extern taking 12 credits (30 hours in Fall & Spring) will see a 2-credit seminar course (**requiring a 15-20 page paper**) and a 10-credit externship course on their transcript.*

Please note that the hours required are based on the total number of combined seminar and externship credits, not the externship credits alone.
