

J.D. Certificate in Technology, Innovation Law, and Ethics (TILE)

Student Name: _____ Expected Graduation Date: _____

Process for Applying:

Before the second week of classes end in the semester of your expected graduation, eligible and interested students should complete and submit the required form to the faculty co-directors of TILE, Professors Steve Bender (benders@seattleu.edu) and Margaret Chon (mchon@seattleu.edu). The faculty co-directors, in collaboration with the registrar's office, will review the submitted information.

Upon verification that all requirements have been met, the application will be approved, and the certificate will be awarded to the student during the graduation ceremony. The certificate will also be noted on the student's transcript and diploma.

Requirements:

The following mix of courses fulfills the requirements of a certificate in technology, innovation law, and ethics (TILE). The J.D. certificate coursework should add up to a minimum of 25 credits and a minimum total of 8 courses. These credits are drawn from three different categories:

(1) At least four of the following 2-4 credit courses. These courses are offered every year. Check the box beside any of the following courses you have completed or are currently completing.

Artificial Intelligence and the Practice of Law (SITIE course)	2 credits
