

J.D. Certificate in Technology, Innovation Law, and Ethics (TILE)**APPLICATION FORM 2026-27 (effective July 1, 2026)****Student Name:** _____ **Expected Graduation Date:** _____**Process for Applying:**

Before the end of the first month of classes in the semester of your expected graduation, eligible and interested students should complete and submit the required form to the TILE Institute Program by emailing Professor Mark Verstraete (mverstraete@seattleu.edu). In collaboration with the Registrar's Office, the TILE Institute will review the submitted information.

Upon verification that all requirements have been met, the application will be approved, and the certificate will be awarded to the student during the graduation ceremony. The certificate will also be noted on the student's transcript and diploma.

It is strongly suggested that this application form also be used for course planning purposes.

Requirements:

The following mix of courses fulfills the requirements of a certificate in technology, innovation law, and ethics (TILE). The J.D. certificate coursework should add up to a **minimum of 20 credits** and a minimum total of 8 courses. These credits are drawn from the three different categories below. Note: unless otherwise indicated, having more than the minimum in one category will not reduce the requirements for the other categories.
