The TILE Institute's 2025 Symposium is on the theme of **“Why Libraries Matter Now More than Ever to Democracy: Legal Issues Affecting the Future of Public Knowledge.”**

This timely symposium brings together experts in copyright law, technology, and libraries to discuss key legal issues and propose sustainable future directions to steward public knowledge that is one of the key pillars of a functioning democracy.

Co-sponsored by the Seattle University Law Review and the Seattle Journal of Technology, Environmental & Innovation Law.
